

## **In Memory of Bonny Henderson**

Bonny Joined SPC in 2011 and quickly became an active member. During her time with us, she served on the Membership, Competition, and Nominating Committees. She also held the positions of Secretary and Treasurer. In 2024, she was elected President but, sadly, was only able to serve a few months before her passing.

She was an artistic and creative individual who believed in the power of practice and self-learning. This was evident in her growing photography skills, which earned her Tier 3 status in our competitions.

Bonny was intelligent, hardworking, and reliable. She possessed a sharp wit and worked well with other, making significant contributions to our club.

This club held a special place in her heart. As her daughter, Taylor, said, "She got a lot out of the club and she gave a lot back."
