Enriching Our World Through Photography

EXPLORING THE CONNECTION BETWEEN MIND~EYE~LENS~PRINT

Club competitions, digital and print, are held several times per year and structured for all members, from novice to amateur to professional.

Frequent workshops covering a wide variety of subjects provide hands-on learning opportunities, plus visiting judges and guest speakers enrich club meetings.

Club exhibitions are held at various venues within the local Moore County community.

Meetings are held the evening of the second Monday each month. Please visit our website for current information on meeting location and topics.

Guests are always welcome, and new membership is encouraged year-round.

To join the club, please fill out the application on the back, or on our website.

We look forward to having you!
